Early Spanish researchers got the secret of healthy hair of the indigenous peoples of the American southwest. Today we bring you this traditional herbal therapy in naturally infused Yerba Shampoo, Yerba Conditioner and Yerba Concentrate Yerba Hair Care is done with 100% sustainably wild Negrita (Scarlet Globemallow) and Amol (Yucca) herbs. These herbs were used in ancient times for washing and conditioning the hair of the indigenous people of the southwest. There are many advantages: the natural effect of conditioning is produced by pure herbal extracts. Unlike most natural herbal hair care products that contain only tiny amounts of herbal ingredients, Yerba Hair Care contains a large number of active herbs - more than 50% - providing a high level of quality and the most benefits to your hair. Click here to make for the ingredients of Yerba Concentrate - This is hair strengthening and growth formula! At least 20 minutes before shampooing, spray Yerba Concentrate at root level and massage into the scalp. Then shampoo as usual with Yerba Shampoo and finish with Yerba Conditioner. After shampooing, you can apply a small amount of scalp again before styling your hair. Massage into the scalp daily and leave to allow the grass to work on the roots. Yerba Shampoo - Wet hair, massage into the scalp to foam to remove dirt from the hair. Rinse. A heavier foam will result if you repeat. Separate air conditioning is not required, but can be used. Yerba Deep Hair Conditioner - After washing your hair with Yerba shampoo, massage Yerba Deep Hair Conditioner in the hair, wait half a minute and rinse your hair. If you have very oily hair apply conditioner only on the ends and middle part of the hair. Hi, I just started using shampoo, my hair feels like it was when I was young. I go to 69 in December Thank you. --Lynn Disclaimer: Results can vary depending on the individual user. Yerba Hair Care has stopped my hair thinning due to stress associated with alopecia (hair loss) - Robert A H. Tijeras, N.M. Denial: Results can vary depending on individual users. I believe Yerba hair care has stopped my hair loss, my hair is healthier and it's a great conditioner! - Dennis R., Taos, N.M. Disclaimer: Results can vary depending on the individual user. After the birth of my daughter (8 years ago) I found that my hair goes into lumps and continues to lose weight. I used to have thick curly hair, and now this baby's fine. I hope your shampoo will help. I was in Blockbusters about a month ago, in line to rent a movie. I commented on the woman in line in front of me about how beautiful her hair is. She swore your shampoo, saying that after she had babies, she lost so much hair, and that your shampoo was the only thing that worked. and restored her beautiful hair. She was wearing a long pony tail that came down to her back. -- Anonymous Yerba Customer Failure: Results can vary depending on the individual user. More Yerba Reviews Send Send to news@taosherb.com about your Yerba hair care experience. We'd love to hear from you The Uprising from the Desert Mountain: Sandias Grass: Standing in the middle of New Mexico is a mountain range unlike any other. The Sandia Mountains and their southern extension of the rift block, known as the Manzano Mountains, are a unique blend of several... Wearing only what they could on horseback, hair care luxuries and body care products were not among the survival supplies in the New World. Imagine their delight when the Indian people gave them the secrets of their beautifully healthy hair. Today we bring you this traditional herbal therapy in a naturally infused Yerba Shampoo, Yerba Conditioner and Yerba Scalp Concentrate treatment. Yerba Hair Care - Infused with natural wisdom is done with 100% sustainably wild Negrita (Scarlet Globemallow) and Amole (Yucca) grass. These herbs are the same as those used in ancient times to wash and condition the hair of the ancient indigenous peoples that is now the southwest of the United States. Natural conditioning is made by pure extracts of herbs. Unlike most natural herbal hair care products that contain only tiny amounts of plant ingredients, Yerba hair care infused with natural wisdom contains a large number of active herbs, providing a high level of quality and the most benefits to your hair. Directions to use: Yerba Concentrate - At least 20 minutes before shampooing, spray Yerba Concentrate at the root level and massage into the scalp. Then shampoo as usual with Yerba Shampoo and finish with Yerba Conditioner. After shampooing, you can apply a small amount of scalp again before styling your hair. Massage into the scalp daily and leave to allow the grass to work on the roots. Yerba Concentrate can be used as a styling aid and volumizer as well. Yerba Shampoo - wet hair, massage into the scalp to foam. Rinse. A heavier foam will result if you repeat. Separate air conditioning is not required, but can be used. Yerba Deep Hair Conditioner - After washing your hair with Yerba shampoo, massage Yerba Deep Hair Conditioner in the hair, wait half a minute and rinse your hair. If you have very oily hair apply conditioner only on the ends and middle part of the hair. Click here for more information from Yerba! Click here to share your YERBA HAIR CARE results!
